Heading back to San Francisco – Airport codes (BZE) (SFO)

Departure Date – September 11th

- Flight Details - **Flights must depart Belize after 11:00am**

Arrival Date – September 11th

Schedule –

Transferring to the resort from the airport will be by boat, the resort is on it's own island off the coast of Belize. The transfer boat leaves at 3:30pm.

Time to travel to the resort is 1 hour and 30 minutes depending on weather.

The dive boat departs at 3:30pm.

Diving in Turneffe:

The average dives on Turneffe are roughly 60 minutes, the reef's dove with Turneffe are separate from other dive resorts so there will be no others divers on the dives other than the divers on this remote resort. All the reef's are extremely healthy, with are far variety of soft and hard coral's, sponges, and wide variety of marine life from turtle's, rays, eel's, shark's, dolphins, even white spotted toadfish (indigenous to Belize) and much much more!

Water Conditions:

During the time we are traveling to Belize the water temperatures average between 82-86 degrees!!

The visibility is between 60ft to 100ft!!

Currents are very mild or non-existent.

Guestrooms:

All rooms are air-conditioned. There are no phones or TV's in the rooms. The resort has 110 Volt A.C. power; same as U.S. There is complimentary WI-FI access on the island.

Optional Activities:

Volleyball, Hobie Kat, Kayaks, Fresh Water Pool, Paddle Boards, Horseshoes, Shore Snorkeling
